

Sign-Up Reminder

v1.2.0

Shows a pop-up window in the front office inviting visitors to subscribe.

Features

- Pop-up appearance can be scheduled
- Option to add a custom image to the pop-up
- Customizable subscription form
- Form fields can be turned on or off
- Option to send an email confirmation to the subscriber
- Subscribers are added to the PrestaShop built-in *Customers* section
- Multilingual

Installation

Sign-Up Reminder is installed like any other module. Simply upload your archive (PrestaShop 1.7) and click **Install** (PrestaShop 1.6).

Configuration

You can change behaviour and appearance of the reminder on the module configuration page. Most of the settings are self-explanatory. Fields that appear in the pop-up can be toggled on and off and made required.

Usage

A subscription reminder will appear in the front office when a user visits your site. If the user closes the pop-up window, it will not appear anymore on subsequent visits. Subscribed users can be managed in the *Customers* section of the back office.
